

# BLUEGRASS CATERING

**Thank you for choosing Bluegrass BBQ for your catering needs.**

We've honed our recipes over 4 generations and our techniques over decades so that you and your guests can enjoy some great American Barbecue at your event.

Our Catering Menu is designed for maximum flexibility and versatility. We can serve it hot, ready for pick up just prior to your needs, or cold, ready for you to reheat on site at your convenience. Delivery can be arranged to a limited area and in special circumstances, with prior arrangement. A delivery surcharge may apply.

On the menu you'll find 2 main methods of ordering. You can mix and match these at your pleasure. These options are:

**Option One: BBQ Meats & Sides.**

Choose from our selection of delicious BBQ meats, sauces and sides. We recommend 150 - 300 grams of protein per person, plus sides, as a meal.

If other food and snacks are to be served, then this could be reduced.

**Option Two: Make Your Own (MYO) Tacos or Sliders**

Choose between various options for Sliders or Tacos and allow your guest to assemble their own.

We recommend 2-3 Tacos per person or 2 sliders.

MYO Tacos and sliders can be mixed and matched with each other, or with your BBQ Meats, Sauces and Sides.

Note: All our meats are cooked low and slow and they take time to prepare.

96 hours notice is required for all Catering orders, to allow time to source & prepare the meals for you.

Prepayment is required by 72 hours prior to your event. Prepayments are refundable with 24 hours notice of cancellation.

If less than 24hrs notice is provided, 25% of your payment will be withheld to cover irrecoverable costs that we've incurred on your behalf.
